

**March 19-21, 2024**

---

## JOIN US FOR THE 91ST AFS SOUTHEAST REGIONAL CONFERENCE.

IT'S NOT TOO EARLY TO START PLANNING FOR  
YOUR ATTENDANCE AT THE 2024 SOUTHEAST  
REGIONAL HOSTED BY THE AFS BIRMINGHAM  
CHAPTER.

This year's event will be held at the Renaissance Birmingham Ross Bridge Resort and Spa. The conference focus this year is about "Bridging the Gap" between older, established foundry practices and processes and the new technology/ideas/personnel available to the industry. The Conference goal is to bring fresh thoughts and discussion related to adoption and implementation of these new tools.

As always, advertising and sponsorship opportunities will be available. Watch for conference registration details coming soon.

We're looking forward to a great event. Don't miss it!
